

February 27, 1974

PRESIDENT: Have you all voted? Clerk will record.

CLERK: 29 ayes, no nays, Mr. President, on motion to advance.

PRESIDENT: The bill is advanced. Next bill is LB1013.

CLERK: LB1013 read. There are no committee amendments or other amendments.

PRESIDENT: Senator Carstens.

SENATOR CARSTENS: Mr. President and members. This bill is very simple in its provisions. Last year we passed a bill and it has become law which requires licensing of insurance consultants. Inadvertently and without any extension to do so, I believe that was Senator Duis' bill, wasn't it? Well, anyway, he's here and can correct me if I'm in error. We included in those provisions those individuals who are teaching insurance in the University of Nebraska and Creighton University and perhaps the University of Omaha. The purpose of this bill is primarily, the primary purpose and intent of this bill is to exempt from the provisions of the licensing of consultant acts those who are engaged in teaching only.....in the universities and colleges of this particular subject. That's the only purpose of this bill. I move it be advanced to E & R Initial.

PRESIDENT: Any discussion? If not, there is a motion to advance LB1013 to E & R Initial. Those in favor vote aye. Those opposed vote nay. Senator Whitney voting aye.

CLERK: Senator Whitney voting aye.

PRESIDENT: Have you all voted? Clerk will record.

CLERK: 26 ayes, no nays, Mr. President.

PRESIDENT: The bill's advanced. The next bill's LB1014. Clerk will read the title.

CLERK: Read LB1014. There are no committee amendments or other amendments.

PRESIDENT: Senator Carstens.

SENATOR CARSTENS: Mr. President and members of the Legislature. This bill is a bill that adds only three words, the words "property" and "liability" to section 44-2403 of the existing law relating to insurance companies. As it now stands, in the definitive section of the present law, the law "association" shall mean the Nebraska Insurance Guarantee Association. Now this means it needs to be changed or have included in it the words "property" and "liability" so that the word "association" as defined in the act shall mean the Nebraska Property and Liability Guaranty Association. There is nothing in the bill except that. It has not changed any of the substance of the present law nor does this affect present law in any way. This is probably one of the most innocuous bills that's ever been presented in this Legislature. I move it be advanced to E & R Initial.

PRESIDENT: Any discussion? If not, the motion is to advance LB1014 to E & R Initial. Those in favor vote aye. Those opposed vote nay. Senator Whitney voting aye.

CLERK: Senator Whitney voting aye.

PRESIDENT: Have you all voted? Clerk will record.
